Hello All! I'm new here to royal caribbean fan.com and just wanted to post a little info. I am a 26 y/o female from kansas. I've been on 3 cruises: 1 with carnival(yuck) and two with the wonderful Royal Caribbean Company. I'm also set to go on my 3rd royal cruise at the end of June on Freedom.:)

Welcome! I agree with your Carnival comment although I have never sailed with them. Friends told me it was a terrible experience. You will have to tell us all about your experience on Freedom. I haven't sailed on that class ship yet and have heard it is simply AMAZING!
